Natural Indian Sandstone — Mirzapur, Uttar Pradesh, India

Pink · Green · Grey

PRODUCT CATALOG · 2026

Three colours, one stone belt

Every tile comes from the sandstone strata of Mirzapur, Uttar Pradesh — home to India's renowned sandstone belt. Each colour is a different layer of the same earth.

Pink Sandstone

Warm rose-tan surface with fine, even grain. A natural favourite for patios, garden paths and facades.

PATIOS

GARDEN PATHS

FACADES

Green Sandstone

Soft sage-green tiles with subtle natural veining. Distinctive choice for pool surrounds and landscaping.

POOL SURROUNDS

LANDSCAPING

TERRACES

Grey Sandstone

Clean, contemporary grey with consistent tone. Suits modern flooring, driveways and wall cladding.

FLOORING

DRIVEWAYS

WALL CLADDING

Sourced at the quarry, checked at every stage. We work with established quarries and processing units in Mirzapur with years of stone experience — multi-stage inspection after cutting, finishing and again before packing ensures every crate that ships matches the sample you approved.
